

## Josh Yarbrough Bio

A 'cradle episcopal' born and raised in Prosper, TX, I grew up around livestock and agriculture eventually moving to Purcell, OK finishing high school there. I have lived in Oklahoma for over half of my life now residing in Norman, OK with my wife Amanda and dogs Scout and Lola and a horde of livestock. I have quite a diverse college background focusing in History and Classics at the University of Oklahoma has led me to multiple endeavors including in the automotive industry, oilfield service industry, and agriculture & livestock. I enjoy helping in several ministries including Care-a-vans meals for the unhoused, Thanksgiving baskets, St. Michael's Outreach Programs, as well as weekly Bible studies when possible. One of my fondest accomplishments has been becoming an acolyte and Eucharistic Minister at St. Michael's this past year. I am looking forward to increasing my presence in ministry programs such as through Eucharistic visitation, continuing in Retreat in Daily Life, as well as advocating for the unhoused and those in need in our community. I am proud to serve on the Vestry of St. Michael's and I am humbled and honored to be asked to serve as Junior Warden with the support of the congregation.
