

Santa Velez Bio

I have been a member of St. Michael's for over 11 years. In 2011, Amy Gardner invited me to visit St. Michael's. When Amy and I spoke, I was ready to find a new church and worship with a community of faith that I thought would be welcoming and a good match for me. I started attending worship services, and attended classes for new parishioners with Father Alan Sutherland. In June of 2010, I became a member of St. Michael's. On June 2, 2019, I was received into the Episcopal Church by Bishop Ed. I have participated in or volunteered for the following ministries: Wicked Women, Wise Women, Book Club, Book Sales, Christmas Dinner, ECW Retreat, Food and Shelter for Friends, Garage and Rummage Sales, Laundry Love, and greeter. At St. Michael's I feel welcomed, connected, respected, and spiritually nurtured.
